NOTRE DAME REGIONAL HIGH SCHOOL

[ 2014-15 ANNUAL REPORT ]
Greetings from the School of Excellence
Notre Dame Regional High School

SINCE 2005, we have been honored by the Catholic Education Honor Roll, Cardinal Newman Society, as a School of Excellence. Your love of the school, our most generous benefactors, allows us to promote Quality Catholic Education and make Apostles for our Church. For 90 years our mission and philosophy allows our students to become ambassadors, centered on Gospel values. The 2014-15 school year was a year filled with such a sense of the Almighty; whether it was the Franciscan Mission trip, our faculty attending Acton University Summer Seminar, the Mission trip to Tuba City, Arizona, Karios and Emmaus retreats or our students assisting with local parish and global charities. There was much time given to class projects to benefit those in need and beautiful liturgical experiences shared by all. SPIRITUALITY is still the hallmark of our school.

Academics is most excellent with our senior class receiving over $7.5 million dollars in College scholarships. Athletics and Extracurricular activities allowed every student to develop their talents and improve. We received District, Sectional and State titles in many areas and entertained audiences with wonderful Drama, our 50th Broadway Musical and Outstanding concerts both vocal and instrumental. We received Outstanding ratings at the District Music competition and Outstanding ratings at the State Level, and an Outstanding showing at the Southeast Art Festival. We showed that ND Pride as we brought home from State, the FOURTH Place trophy in Boys Basketball, the THIRD Place trophy in Boys Volleyball and Track and the FIRST PLACE STATE CHAMPIONSHIP TROPHY in Baseball. Several students received individual honors in Golf, Tennis, Scholar Bowl, the and the annual ND Sunday in our parishes; quite successful.

This Annual Report points out the many ways we continue to maintain the standard of excellence in Catholic Secondary Education. Through all of our funding we keep the students central to our efforts and, to that end, the Foundation was pleased to transfer a record $135,474 from investments to the school. Through the development office, many aspects of fundraising at Notre Dame come to light. You will note in the “school pages”, as a whole, Notre Dame was blessed with support in various ways to support the school.

We have another strong enrollment of 529 students at an affordable price for all. If you have a moment, stop by and see how Notre Dame has progressed in providing a quality Catholic education.

Be certain of a remembrance in our prayers and work. In Notre Dame, Our Mother and Guide.

Blessings,

Tony-Buerkle, 1972 Development Director

NDHS Education Fund Foundation

Dear Donors and Benefactors,

The year through June 30, 2015 saw us celebrate our 90TH Anniversary but also so many accomplishments at Notre Dame and the NDHS Education Fund Foundation. Our success is truly a clear result of our alumni and friends with their giving as well as their time and talent. Our Foundation Fund Annual Appeal increased by $352,456, including gifts from the members of the Acts of the Apostles Society, scholarships, bequests and the annual ND Sunday in our parishes; quite successful.
